About the Author xxxvi

CHAPTER 1  Human Behavior and the Social Work Profession 1

Defining “Human Behavior in the Social Environment” 1

Understanding How Knowledge and Theory Inform Social Work 3

The Role of Theory 4

Theoretical Lenses 5

Interactions of Theories 6

The Debate About Empirical Knowledge and Practical Knowledge 7

The Quality of Knowledge and Theory 9

QUICK GUIDE 1: EVALUATIVE CRITERIA FOR THEORY 11

QUICK GUIDE 2: EVALUATIVE CRITERIA FOR RESEARCH 12

Theoretical Eclecticism 12

The Single Theory Argument 13

The Argument for Eclecticism 14

The Application of Theory and Knowledge in Social Work Practice 15

Maintaining Social Work Values 17

Learning About Human Behavior and Social Work Practice 18

Relating Knowledge of Human Behavior to Other Social Work Courses 18

Framing the Study of Human Behavior through this Book’s Organization 19

Conclusion 20

Main Points 20

Exercises 21
CHAPTER 2

Lenses for Conceptualizing Problems and Interventions: The Person in the Environment 23

Micro, Mezzo, and Macro Levels of Conceptualization 25

Applying the Micro, Mezzo, and Macro Levels of Conceptualization 27

Critiquing the Micro, Mezzo, and Macro Levels of Conceptualization 29

The Biopsychosocial Approach 30

Applying the Biopsychosocial Approach 30

Critiquing the Biopsychosocial Approach 31

Systems Theory 33

Diagramming Family Systems 36

Genograms 36

Ecomaps 37

Applying Systems Theory 40

Family Subsystems and Boundaries 40

Roles and Homeostasis 41

Input and Output 41

Entropy 41

Equifinality and Multifinality 42

Critiquing Systems Theory 42

Ecological Theory 43

Applying Ecological Theory 47

Critiquing Ecological Theory 48

The Ecosystems Approach: Combining Ecological and Systems Theories 49

The Strengths Perspective 50

Applying the Strengths Perspective 52

Critiquing the Strengths Perspective 53

Conclusion 54

Main Points 55

Exercises 56
CHAPTER 3  

Lenses for Conceptualizing Problems and Interventions: Biopsychosocial Dimensions  58

The Disease Model  59

The Medical Model  59

QUICK GUIDE 4: THE BIOPSYCHOSOCIAL LENS: THEORIES, MODELS, AND PERSPECTIVES  60

QUICK GUIDE 5: DSM-5 ASSESSMENT  62

Key Elements of Human Biology  63

The Brain and the Nervous System  63
Neurons  66
Neurotransmitters  68
The Endocrine System  70
Genetics  70

Applying the Medical Model  75

Critiquing the Medical Model  76

Theories of Cognitive Development  78

Piaget’s Theory of Cognitive Development  78
Applying Piaget’s Theory  80
Critiquing Piaget’s Theory  81

Psychodynamic Theories  82

Freud’s Theory of Psychosexual Development  82
Applying Freudian Theory  85
Critiquing Freudian Theory  86

Erikson’s Theory of Psychosocial Development  87
Applying Erikson’s Theory  89
Integrating Erikson’s Theory with Piaget’s Theory  90
Critiquing Erikson’s Theory  91

Behavioral and Learning Theories  92

Classical Conditioning  93
Operant Conditioning  93
Social Learning Theory  94
Applying Learning Theory  95
Critiquing Learning Theory  97
DETAILED CONTENTS

Humanistic and Existential Perspectives  97
Person-Centered Therapy and Transactional Analysis  98
Person-Centered and Participant-Directed Service Models  99
Applying Humanistic and Existential Perspectives  100
Critiquing Humanistic and Existential Perspectives  101

Conclusion  102
Main Points  102
Exercises  103

CHAPTER 4  
Lenses for Conceptualizing Problems and Interventions: Sociocultural Dimensions  105

QUICK GUIDE 6: THE SOCIOCULTURAL LENS: THEORIES, MODELS, AND PERSPECTIVES  106

Sociological Theories  106

Conflict Theory  107
Karl Marx and Conflict Theory  108
Conflict Theories since Marx  108

Applying Conflict Theory  110
Family  110
Health Care  110
Conflict Theory and Social Work  111
Aisha's Case and Conflict Theory  113

Critiquing Conflict Theory  113

Critical Practice Theory  114

Applying Critical Practice Theory  115

Critiquing Critical Practice Theory  116

Functionalist Theory  116
Emile Durkheim  117
Robert K. Merton  117
Talcott Parsons  118

Applying Functionalist Theory  118
Education and Language  118
Functionalist Theory and Social Work  119
Aisha's Case and Functionalist Theory  119

Critiquing Functionalist Theory  120
Symbolic Interaction Theory and Social Constructionism  121
  George Herbert Mead  123
  Charles Horton Cooley  123
  Erving Goffman  124

Applying Symbolic Interaction Theory  124
  Body Piercing  124
  Aisha’s Case and Symbolic Interaction Theory  125

Critiquing Symbolic Interaction Theory  125

Feminist Theory  126
  Branches of Feminist Theory  127
  Applying Feminist Theory  128
  Critiquing Feminist Theory  128

Cultural Perspectives  130
  Cultural Perspectives and Social Work  132
  Culture and the NASW Code of Ethics  133
  Minorities’ Dual Perspective  133
  Multiculturalism  134

Applying Cultural Perspectives  135
  Critiquing Cultural Perspectives  136

Conclusion  136
Main Points  137
Exercises  138

CHAPTER 5  Lenses for Conceptualizing Problems and Interventions: Social Change Dimensions  140
Theories of Racism, Discrimination, and Oppression  141

QUICK GUIDE 7: THE SOCIAL CHANGE LENS: THEORIES AND PERSPECTIVES  142
  Racism  143
  Discrimination, Prejudice, and Privilege  146
  Theories of Prejudice  147
  Oppression  150

Applying Theories of Racism, Discrimination, and Oppression  151
Critiquing Theories of Racism, Discrimination, and Oppression  153
manifestations of Racism, Discrimination, and Prejudice: Microaggressions  153
Social and Economic Justice Perspectives  155
Applying Social and Economic Justice Perspectives  158
Critiquing Social and Economic Justice Perspectives  158
Social Change and Social Action Perspectives  159
Contemporary Social Action Perspectives  161
Applying Social Change and Social Action Perspectives  162
Critiquing Social Change and Social Action Perspectives  162
Community Organization Theory  163
How Social Work Defines and Perceives Community  164
Community and Social Work Practice  165
Applying Community Organization Theory  166
Critiquing Community Organization Theory  167
Conclusion  167
Main Points  168
Exercises  169

CHAPTER 6

Pre-Pregnancy and Prenatal Issues  171
Developmental Milestones in the Fetus  172
Growth Processes from Conception through Birth  172
QUICK GUIDE 8: MILESTONES IN FETAL DEVELOPMENT  173
Low Birth Weight  174
Pregnancy, Birth, and the Individual  176
Planned and Unplanned Pregnancy  176
Abortion  178
Pregnancy in Later Life  179
Fertility Issues  179
Parents’ Biological, Psychological, and Emotional Health  180
Birth Defects and Hazards to Fetal Development  182
Alcohol, Tobacco, and Drugs  183
Rh Incompatibility  185
Environmental Toxins  185
Paternal Age  186
Maternal Health  186
Genetic Disorders  188
Pregnancy, Birth, and the Family and Immediate Environment 190

Access to Health Care 190

The Relationship between the Birth Mother and Her Care Providers 192

Control over the Childbirth Environment 193

Birthing Classes 194

C-Sections 194

Episiotomies 196

Doulas and Midwives 196

Breastfeeding 196

Adoption 198

Open Adoption 198

Interracial Adoption 199

Workplace Policies on Pregnancy and Birth 199

Effects of Poverty on Pregnancy and Birth 200

Maslow’s Hierarchy of Needs 200

Poverty, Pregnancy, and the Hierarchy of Needs 202

Social Policies Related to Pregnancy and Birth 203

Medical Leave Laws 203

International Family Planning 203

Environmental Issues Related to Pregnancy and Birth 205

Conclusion 206

Main Points 206

Exercises 207

CHAPTER 7 Development in Infancy and Early Childhood 209

Developmental Milestones in Infants and Young Children 210

Language Acquisition 210

Biological vs. Behavioral Perspectives on Language Development 212

A Balance of Biological and Behavioral Influences on Language 212

Emotional Development 213

Motor Development 215

QUICK GUIDE 9: major milestones in gross motor development 216
The Individual in Infancy and Early Childhood 217

Attachment 217
  Secure Attachment: The Debates 218
  Insecure Attachments: The Causes 219

Gender Identity 220
  Sex Characteristics and Gender Identity 221
  Transgender Children 222
  Gender Reassignment 223

Temperament 223

Autism 226

Effects of Low Socioeconomic Status on Individual Development 228

The Family and Immediate Environment in Infancy and Early Childhood 229

Parenting 229

Grandparenting 231

Siblings 233
  Personality Traits and Birth Order 233
  Family Size and Access to Resources 234

Day Care 235

Child Abuse and Neglect 236

QUICK GUIDE 10: COMMON SIGNS OF CHILD MALTREATMENT 237

The Larger Social Environment in Infancy and Early Childhood 238

Child Protection 238

Permanency Planning: Foster Care, Adoption, and Family Support 239

Health Care 241

Early Childhood Education 242
  Head Start 242
  An Ecological Perspective on Educational Policy 243

Conclusion 244

Main Points 244

Exercises 245

CHAPTER 8 Development in Middle Childhood 247

Developmental Milestones in Older Children 247
DETAILED CONTENTS

QUICK GUIDE 11: DEVELOPMENTAL MILESTONES IN MIDDLE CHILDHOOD  249

The Individual in Middle Childhood  250

  Intelligence and Intelligence Testing  250
  Theories of Diverse Intelligences  250
  Standardized Intelligence Tests  252

Learning Disabilities  254

Attention Deficit Hyperactivity Disorder  255

Anxiety Disorders  257

The Family and Immediate Environment in Middle Childhood  258

  Peer Groups in Middle Childhood  258

Play  259

Parental Discipline  261

  Discipline in Middle Childhood  262
  Physical Punishment  263

Separation and Divorce  264

Alternative Family Forms  266

  Stepfamilies and Blended Families  266
  Single Parent and Cohabitng Households  266
  Gay and Lesbian Parents  267

The Larger Social Environment in Middle Childhood  269

  Children and Media  270

  Children in the Educational Context  272

  Special Education  272
  School Choice and Vouchers  274

Conclusion  275

Main Points  275

Exercises  276

CHAPTER 9  Development in Adolescence  278

Developmental Milestones in the Teen Years  279

QUICK GUIDE 12: DEVELOPMENTAL MILESTONES IN ADOLESCENCE  279

  Physical Development  279

  Cognitive, Personality, and Emotional Development  281
Moral Development 283
  Kohlberg's Theory of Moral Development 283
  Gilligan's Theory of Moral Development 284

The Individual in Adolescence 285
  Learning 286
  Self-Esteem 286
  Eating Disorders 288

QUICK GUIDE 13: DIAGNOSTIC CRITERIA FOR ANOREXIA AND BULIMIA NERVOSA 289
  Anorexia Nervosa 289
  Bulimia Nervosa 290

Early and Late Maturation 292

Sexual Identity and Sexuality 293
  Sexual Activity in Adolescence 293
  Sexual Development in Heterosexual Teens 295
  Sexual Development in Gay, Lesbian, and Bisexual Teens 296
  STIs, HIV, and AIDS 299

Substance Abuse 301
  Factors Associated with Substance Abuse 302
  Research with Teens: An Ethical Dilemma 303

Suicide 303

QUICK GUIDE 14: SAD PERSONS SUICIDE ASSESSMENT 305

The Family and Immediate Environment in Adolescence 305
  Peer Groups in Adolescence 306
  Teen Pregnancy 307

The Larger Social Environment in Adolescence 308
  Sex Education 308
    The Debate over Sex Education 309
    A Critique of Sex Education 309
  Heterosexism and Homophobia 311
  Runaway and Homeless Teens 312
  Deviance, Crime, and Violence 314

Conclusion 315
Main Points 315
Exercises 316
CHAPTER 10  Development in Early Adulthood  318
Developmental Milestones in Young Adults  318
QUICK GUIDE 15: DEVELOPMENTAL MILESTONES IN EARLY ADULTHOOD  319
The Individual in Early Adulthood  320
  Emerging Adulthood  320
  Mental Illness  321
    Schizophrenia  321
    Trauma and Posttraumatic Stress Disorder  323
    Mental Illness and Social Work Strategies  326
  Disability  328
  Spirituality  330
    Fowler’s Theory of Faith Development  332
    Spirituality in Social Work Practice  332
The Family and Immediate Environment in Early Adulthood  334
  Alternative Relationships and Living Arrangements  334
  Domestic Violence  337
    Theories of Domestic Violence  338
    Domestic Violence and Social Work Practice  339
The Larger Social Environment in Early Adulthood  339
  Higher Education  339
  Sexism  341
    The Wage Gap  341
    Causes of the Wage Gap  342
    Theories of Sexism  344
    Sexism and Social Work  345
  Sexual Harassment  346
    Sexual Harassment and Popular Culture  346
    Theories of Sexual Harassment  346
    Strategies to Prevent Sexual Harassment  347
  Civil Rights Laws and Affirmative Action  348
    The Affirmative Action Debate  348
    Theoretical Bases of Affirmative Action  349
    Affirmative Action and Social Work  350
Conclusion  351
Main Points 351
Exercises 352

CHAPTER 11  Development in Middle Adulthood 354

Developmental Milestones in Middle Age 354

QUICK GUIDE 16: DEVELOPMENTAL MILESTONES IN MIDDLE ADULTHOOD 355

Physical Developments in Middle Adulthood 355
Cognitive Developments in Middle Adulthood 356
Levinson’s Theory of Adult Development 357
Motivational Interviewing 359

The Individual in Middle Adulthood 360

Menopause 360
Hormone Replacement Therapy 361
The Psychological Dimension of Menopause 361
The Cultural Dimension of Menopause 362

The Male Climacteric 363

Midlife Crisis 364
Psychological Adjustment in Midlife 364
Theories and Perspectives on Midlife Crisis 365

Chronic Illness and Disease 366
Common Diseases Emerging in Middle Age 366
Health Disparities 368

The Family and Immediate Environment in Middle Adulthood 370

Love and Marriage in Middle Age 370
Sternberg’s Theory of Love 370
Perils of Romantic Love 372
Marital Satisfaction 373
Divorce 373
Remarriage 374
Gay Marriage 375

Family Patterns in Middle Age 375
Social Work with Couples and Families 376
Retirement 378
Retirement Patterns 378
### DETAILED CONTENTS

**Preparation for Retirement** 379  
**Theoretical Perspectives on Retirement** 380  
**The Larger Social Environment in Middle Adulthood** 381  
**Ageism** 381  
**Ageism in the Workplace** 382  
**Ageism in Popular Culture** 382  
**Immigration** 383  
**Conclusion** 385  
**Main Points** 385  
**Exercises** 387

## CHAPTER 12  Development in Late Adulthood  388

**Developmental Milestones in Older Adults** 389  
**Physical Changes in Late Adulthood** 390  
**Osteoporosis** 390  
**QUICK GUIDE 17: DEVELOPMENTAL MILESTONES IN LATER ADULTHOOD** 390  
**Loss of Muscle Mass** 391  
**Arthritis** 391  
**Hearing-Related Problems** 392  
**Vision-Related Problems** 393  
**Slower Reaction Time and Decreased Coordination** 394  
**Changes in Appearance** 394  
**Social Workers and the Physical Changes of Late Adulthood** 395  
**Cognitive and Psychological Changes in Late Adulthood** 396  
**Dementia** 396  
**Cognitive Changes** 398  
**Personality and Aging** 399  
**Depression and Suicide** 399  
**Social Workers and the Psychological Changes of Late Adulthood** 401  
**The Individual in Late Adulthood** 402  
**Psychosocial Theories of Aging** 402  
**Disengagement Theory** 402  
**Activity Theory** 403  
**Continuity Theory** 404  
**Peck's Theory of Ego Integrity** 404
Aging Well 405

Spirituality and Aging 405

Sexuality in Late Adulthood 407

Gay, Lesbian, Bisexual, and Transgendered Older Adults 407

Grief and Loss 408

Normal Grief and Complicated Grief 409

Other Theories of Grief 411

Kübler-Ross’s Theory of Death and Dying 411

Terror Management Theory 413

Life Review and Narrative Therapies 413

Social Work with the Grieving and Dying 414

The Family and Immediate Environment in Late Adulthood 415

Grandparenting 416

Older Adults and their Caregivers 417

Effects of Caregiving on Caregivers 418

Caregiving and Social Work 419

Elder Abuse and Neglect 420

The Larger Social Environment in Late Adulthood 421

Long-Term and Alternative Care 421

Managed Care and LTC Insurance 423

Housing Options 423

Poverty and Older Adults 425

Policies Linked to Services for Older Adults 426

Social Security 426

Older Americans Act 426

Medicare 428

Medicaid 430

End-of-Life Considerations 431

Assisted Suicide 431

Advance Directives and Living Wills 432

Palliative Care and Hospices 433

Conclusion 433

Main Points 434

Exercises 435
CHAPTER 13  Looking Forward: Challenges and Opportunities for the Social Work Profession  436

Environmental Issues and Sustainability  437
  Social and Environmental Sustainability  437
  Climate Change and the Larger System  437
  Social Work’s Role in Climate Change  438

Economic Disparities  440
  The Widening Gap Between the Rich and the Poor  440
  Outsourcing, Underemployment, and Livable Wages  441
  Social Work and Responses to the Wealth Gap  442

Health Disparities  443
  Health Issues in Our Environment  443
  Access to Health Care  444
  Social Work’s Role in Reducing Health Disparities  444

Demographic Shifts  445
  Global Aging  446
  Changing Ethnic Demographics  447
  Racism and Prejudice  447
  Social Work and Demographic Shifts  448

Technology and Technological Advances  449
  Aging, Caregiving, and Aging in Place  449
  Health, Mental Health, and Social Well-Being  451
  Social Work and Technological Advances  452

Global Tension and Violence  453
  Social Work and Global Conflict  454

Shifting Cultural Views on Social Issues  454
  Social Work’s Role in Cultural Change  455

The Future of the Social Work Profession  455

Conclusion  457
Main Points  458
Exercises  459
